# Time after Time

( Original Cyndi Lauper (1983))

Lying in my bed  
I hear the clock tick and think of you  
Caught up in circles  
Confusion is nothing new

Flashback, warm nights almost left behind  
Suitcases of memories  
Time after

Sometimes you picture me  
I'm walking too far ahead  
You're calling to me  
I can't hear what you've said

Then you say, go slow, I fall behind  
The second hand unwinds

If you're lost, you can look and you will find me  
Time after time  
If you fall I will catch you, I'll be waiting  
Time after time

If you're lost, you can look and you will find me  
Time after time  
If you fall I will catch you, I will be waiting  
Time after time

After my picture fades  
And darkness has turned to gray

Watching through windows  
You're wondering if I'm okay

Secrets stolen from deep inside  
and the drum beats out of time

If you're lost, you can look and you will find me  
Time after time  
If you fall I will catch you, I'll be waiting  
Time after time

If you're lost, you can look and you will find me  
Time after time  
If you fall I will catch you, I'll be waiting  
Time after time

Time after time, time after time  
Time after time, time after time  
Time after time, time after time  
Time after time, time after time
